SteriBeam Relocation:

We have fully relocated by Sept. 1, 2017 in the city of Gottmadingen, which lays 6 km South of the city of Singen and ca. 1 km North from Swiss Border of the Canton Schaffhausen. The area is better for our purposes than our former location in Kehl.

Our New Address: Kronenstr.3, D-78244 Gottmadingen.

E-mail is the same. We have not got yet a full communication service and use our Mobil Phone as WiLan for internet as well as a phone.

We have resumed our work at this new place from September 1.

We apologise to our customers, affected by delays caused by our relocation, as well as by a few other related yet confidential reasons, which are under the category of "the force major" in every vendor's "Terms of Sale".

Kronenstr.3,

D-78244 Gottmadingen.
