

**SteriBeam closure and replacement of its services:**

After 14 years of operations the past 2017 year brought SteriBeam Systems GmbH to the liquidation due to some developments beyond our control. The liquidation (iL.) stage started on December 20, 2017 and is for one year to meet outstanding obligations in line with German Laws and our Terms of Sale.

**Our e-mails and website will continue to function to direct our new and existing customers or contacts to similar or broader services replacing SteriBeam.**

Further details are on request.

2 Jan. 2018.
